

# TechStart Student Innovator STARTER GUIDE

## Welcome to TechStart! Thank You for Your Partnership

Congratulations, TechStart Student Innovator! You have been chosen to lead the TechStart community at your school. As a leader, we ask that you encourage, inspire and help other students to try the virtual reality equipment, complete projects and learn new skills. We are also depending on you to let other students know about award and event opportunities. You are a pioneer in the world of emerging technologies and will have the opportunity to benefit, and help others benefit, from the exciting offerings of TechStart.

### You are Important!

- You and your TechStart Teacher are critical to the success of TechStart in your class
- You can excite others about TechStart awards, grants, events and scholarships
- Your voice is important to help us continually shape and improve TechStart

### What are the Deliverables and Expectations?

Follow our online step-by-step guide to becoming a great TechStart Student Innovator at the following link: [techstart.github.io/guide](https://techstart.github.io/guide)

The following points summarize what is expected from your involvement:

- Help your TechStart Teacher set up the virtual reality equipment for the classroom
- Help to capture and submit a photo of you, your TechStart Teacher and your virtual reality kit
- Encourage all of your fellow students to try out the virtual reality equipment so they may experience it for themselves
- Capture and submit one 360 degree image of your class with your TechStart Teacher's help
- Complete and submit the Vizor Starter Project (*visit our online step-by-step guide for more details*) while encouraging other students to do so (*all students who submit a project will receive a TechStart award*)
- Have fun exploring with TechStart!

Visit your state's homepage to learn more  
at the following link: [techstart.fb.com/AR](https://techstart.fb.com/AR)

**Thank you for being a part of the TechStart community!**

*Remember to submit all projects by Monday, May 1st 2017  
to qualify for the Trailblazer Awards*
