

Trailblazer AWARDS GUIDE

What are the TechStart Trailblazer Awards?

At Techstart we are excited to recognize the effort of teachers and students participating in our program, thus advancing computer science education in Arkansas

How Do I Qualify for the Trailblazer Awards?

BASE CAMP AWARD

- Complete virtual reality equipment set up in the classroom
- TechStart Teacher completes the Teacher Starter Survey
- TechStart Student Innovator completes the TechStart Student Innovator Starter Survey
- Capture and submit a photo of the TechStart Teacher, TechStart Student Innovator and virtual reality kit

EXPLORER AWARD

- *Base camp award Qualifications*
- +
- TechStart Student Innovator captures and submits one 360 degree image of your class
- TechStart must receive signed media release forms for all people (*students and teachers*) appearing in any TechStart submissions (*photos and 360 images*)

NEW FRONTIER AWARD

- *Base Camp Award Qualifications*
- +
- *Explorer Award Qualifications*
- +
- TechStart Student Innovator completes the TechStart Student Innovator End of Year Survey
- TechStart Teacher completes the Teacher End of Year Survey and provides the Vizor usernames of their students that completed the Vizor Starter Project

How Do I Get Started?

- Read all content in the Starter Kit and follow each set of instructions
- Share the Trailblazer Award opportunities with your TechStart Student Innovator, your students and your school
